PLAN COSMETIC MIRROR

The new flexibility

The PLAN cosmetic mirror is always ready for use. It is as easy to operate as a hand mirror. Through the double hinge integrated discreetly in the design it can be adjusted to any desired position in all three dimensions. It is not even necessary to touch the mirror head. With the long swivelling arm it is simply placed flat against the wall again after use.

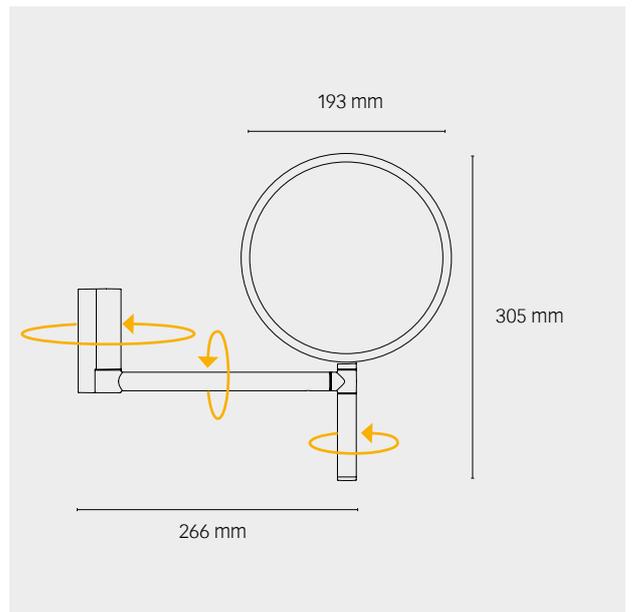

Double hinge for rotating and turning

PLAN COLLECTION

THE PERFECT SOLUTION FOR EVERY NEED

With 450 individual products, PLAN is one of the most extensive bathroom collections in the world. PLAN is as diverse as the lifestyles in existence today. With the enormous breadth and depth of its assortment it allows individual solutions that fit perfectly. PLAN leaves nothing to be desired, both aesthetically as well as ergonomically.

The extraordinary surface characteristics and extremely fine colour nuances of our products can only be reproduced to a certain degree in print. Only the original KEUCO products can provide an optimal impression. They can be seen in the showrooms of sanitary trade dealers. Reproduction and copying, even if only excerpts, are only permitted by explicit permission of the manufacturer, and with the inclusion of source information. KEUCO GmbH & Co.
