A Powerful Statement.

Noble, elegant and extravagant at the same time, choosing from the Black Selection sends out a strong design statement.

The deep black, silk matt surfaces of KEUCO products captivate with their special colour brilliance, which nicely round-off the bathroom with a luxurious touch.

They are perfectly matched in the RAL 9011 colour. A special lacquer coating makes them tough, durable and easy to clean – not only ideal for private bathrooms, but perfectly suited for hospitality and commercial installations too.

The velvety-matt surface is extremely pleasant to the touch.
