

SUBWAY 3.0

Stock Profile Guide January 2023

Includes Express Delivery

the
SUBWAY 3.0
collection

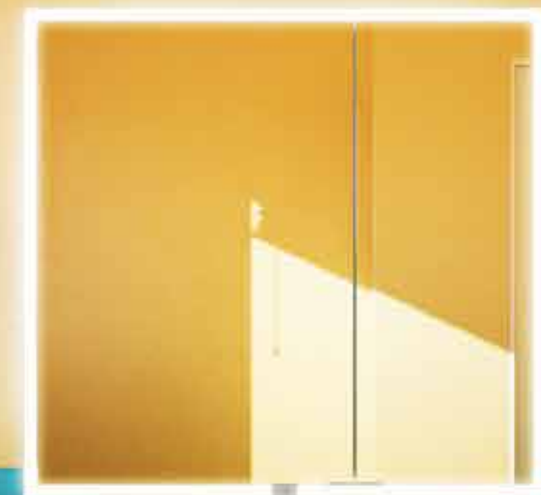

Subway 3.0 is a large range covering many options. We have tried to select a range to cover the best selling sizes, colours and options. The items may not always appear in stock however we aim to reduce the lead times involved by continual product replenishment.

This guide has been produced to help you understand the items that should have expeditious availability.

Always check stock availability before committing to your client.

Product is available on a first-come basis.
